FASCICOLO SANITARIO ELETTRONICO

FASCICOLO SANITARIO Elettronico

Finanziato dall'Unione europea NextGenerationEU

PROGETTO FINANZIATO NELL'AMBITO DEL

PNRR

THE PROJECT

This healthcare facility has implemented a project to populate the Electronic Health Record (EHR), funded by the Tuscany Region under the National Recovery and Resilience Plan **(PNRR)**.

FUNDING FRAMEWORK

Mission 6 – Health · Component 2 · Sub-investment 1.3.1

"Strengthening the technological infrastructure of the Electronic Health Record and the tools for data collection, processing, analysis and simulation."

OBJECTIVES

To contribute to achieving national and European Union targets for populating the Electronic Health Record by uploading medical reports relating to healthcare services, specialist diagnostic procedures and radiology.

TERME DI CHIANCIANO

Information and publicity pursuant to Article 34 of Regulation (EU) 2021/241.
